WORLDSKILLS ASEAN SINGAPORE 2020

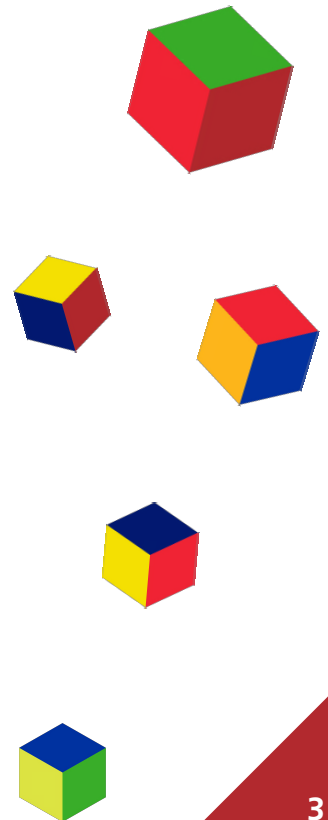

MY SKILLS, MY FUTURE

About WorldSkills

Founded in 1950, WorldSkills is a **global organisation** that promotes vocational, technological, and service-oriented education and training. We promote skilled careers in **78 Member countries and regions**, all working with youth, educators, governments and industries to help prepare the workforce and talent of today for the jobs of the future.

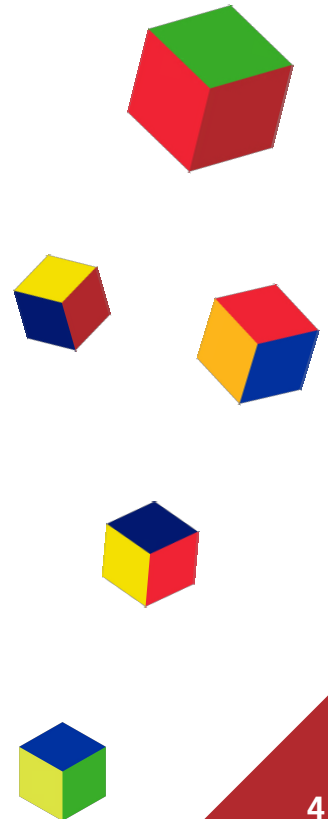

About WorldSkills

Improving our world with the power of skills

To raise the profile and recognition of skilled people, and show how important skills are in achieving economic growth and personal success

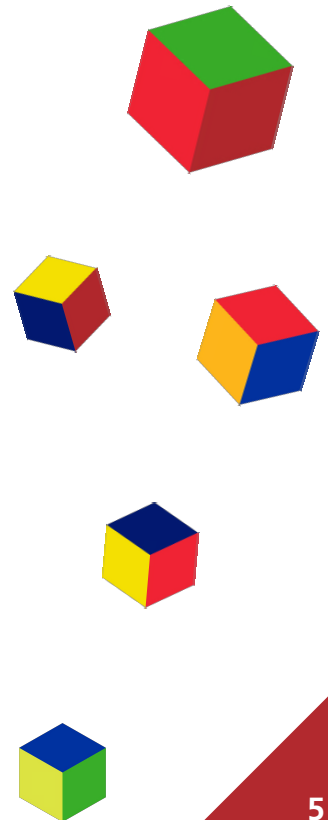

About WorldSkills Singapore

WorldSkills Singapore is a member of WorldSkills International and is led by SkillsFuture Singapore (SSG). Biennial WorldSkills Singapore Competitions are jointly organised by the Institute of Technical Education, Nanyang Polytechnic, Ngee Ann Polytechnic, Republic Polytechnic, Singapore Polytechnic, Temasek Polytechnic, SkillsFuture Singapore and the Ministry of Education.

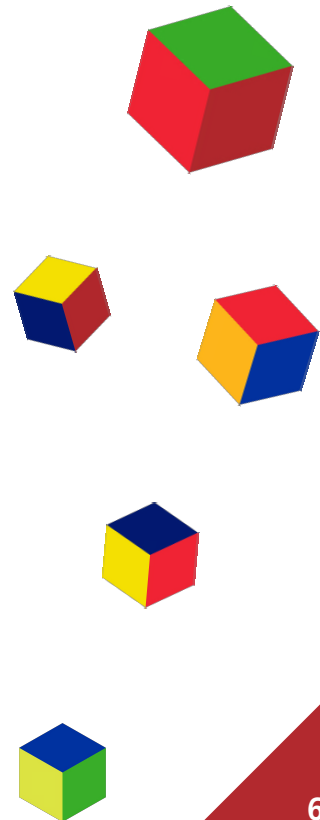

WorldSkills Singapore supports the national SkillsFuture movement and offers a platform for competitors to showcase their capabilities in the pursuit of skills mastery. It is but one of many milestones in the lifelong journey of Singaporeans to deepen skills and to discover their passions.

About WorldSkills ASEAN

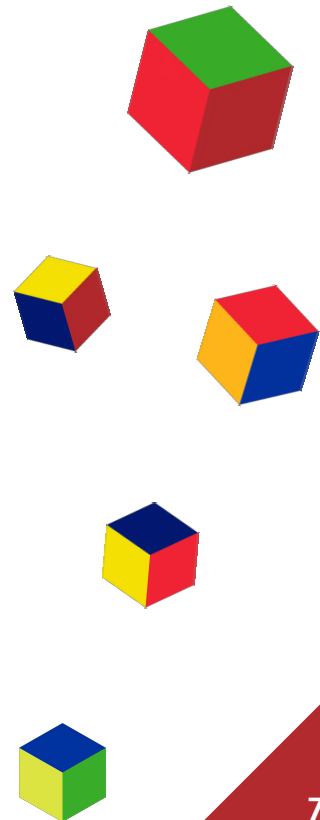

- ◆ WorldSkills ASEAN is the largest showcase of professional and technical skills in the ASEAN (The Association of Southeast Asian Nations) region and brings the objectives of the WorldSkills movement to Southeast Asia.
- ◆ The skills competition was initiated by an agreement among ASEAN member countries in 1993 and aims to promote and raise skills standards in the ASEAN region to an international level, as well as to motivate youths to develop their skills and knowledge.
- ◆ ASEAN member countries take turns to host the biennial WorldSkills ASEAN Competition.
- ◆ The competitors represent the best skilled talents and are selected from national skills competitions in ASEAN member countries. They demonstrate highly skilled technical abilities both individually and collectively in their respective industries.

About WorldSkills ASEAN

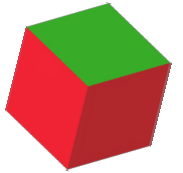

The objectives of the WorldSkills ASEAN are:

- ◆ To promote the development of quality vocational, technical and work values among youths and skilled professionals;
- ◆ To foster cooperation in vocational and technical education and training between member countries;
- ◆ To encourage close cooperation between governments, industry, unions and vocational training institutions; and
- ◆ To provide a recognition for technical excellence and develop a new generation of highly skilled professionals.

About WorldSkills ASEAN Singapore 2020

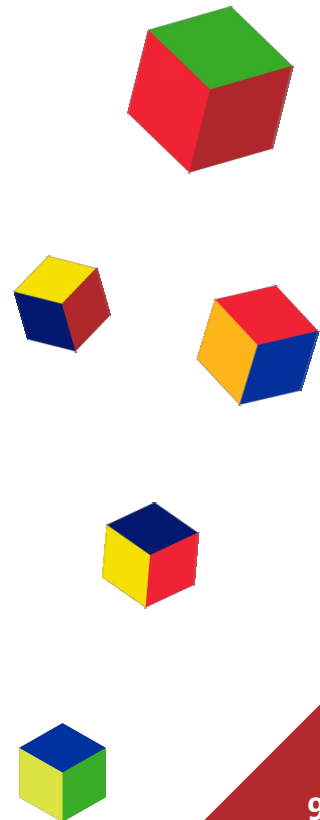

For the first time, Singapore will be hosting the 13th WorldSkills ASEAN Competition in July 2020 at the Suntec Singapore Convention & Exhibition Centre. The competition will see close to 300 top youth talents from the 10 ASEAN member countries competing in 22 skills areas. Apart from the skills competition, WorldSkills ASEAN Singapore 2020 will also feature interactive activities to promote skills and a skilled career.

Where the Excitement Is

Suntec Singapore Convention & Exhibition Centre Levels 3 & 4

What to Expect

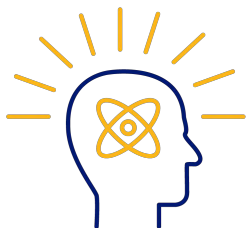

Skills Competition

Watch close to 300 of the most talented ASEAN youths compete in 22 skills areas, with more than 1,000 delegates from ASEAN involved in the 3-day competition.

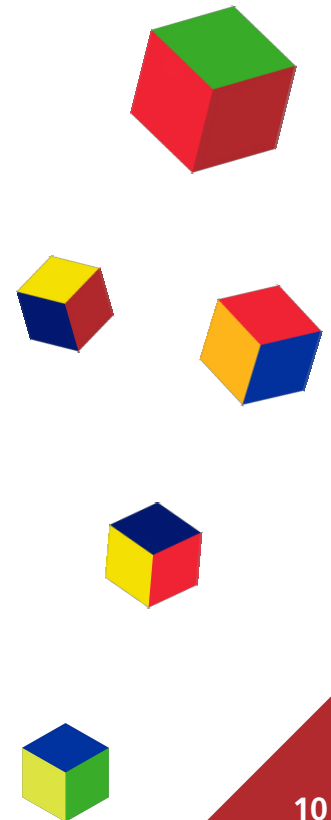

Try-a-Skill

Learn more about the skills areas in the competition at the Try-a-Skill booths on levels 4 & 6.

Activities and Workshops

Pick up a new skill or learn more about different industries through the interactive activities, workshops by industry and educators.

Education & Career Guidance Activities

Optional Takeup

Education & Career Guidance Activities Option

◆ ECG Exhibition Booth (3 days) - 40 booths

Partner to offer interactive and engaging activities to facilitate students' exploration of different industries & careers

E.g. of previous booth activities offered by partners:

- ST Engineering Land System: Students could test out welding simulation machine
- L'Oreal: Students were given hands-on experience using hairdressing tools
- SingHealth: Students were given hands-on experience of drawing blood from a mannequin

Standard booth with the following specifications (tentative) would be provided for the 3 days:

- Booth size: 4 x 2m (8sqm)
- 1 Lot x Pifex System Structure Booth
- 1 Unit x Round Bistro Table
- 2 Units x System Lockable Cabinet
- 2 Units x White Folding Chairs
- 1 Unit x Wastebin
- 2 Units x 13amp Powerpoint
- 2 Units x Spotlights
- 1 Unit x Company Fascia Board

Education & Career Guidance Activities Option

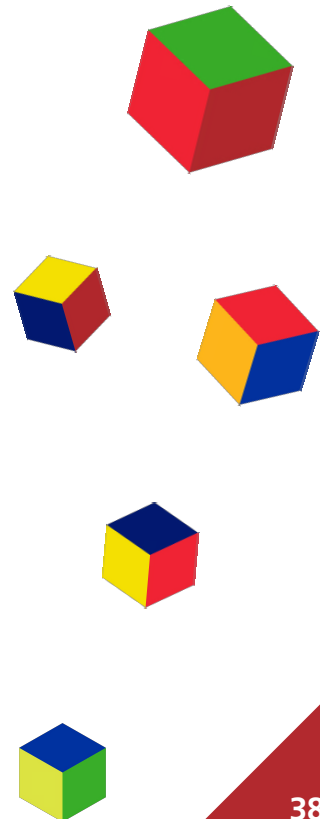

◆ Try-a-Skill (3 days) - 22 booths

Partner to offer interactive activities to expose students and public to industry technology and/or machines, and increase appreciation for skills

The booth activities should enhance the understanding and appreciation of the skills competition

Standard booth with the following specifications (tentative) would be provided for the 3 days:

- Booth size: 4 x 2m (8sqm)
- 1 Lot x Pifex System Structure Booth
- 1 Unit x Round Bistro Table
- 2 Units x System Lockable Cabinet
- 2 Units x White Folding Chairs
- 1 Unit x Wastebin
- 2 Units x 13amp Powerpoint
- 2 Units x Spotlights
- 1 Unit x Company Fascia Board

Education & Career Guidance Activities Option

◆ ECG Workshop (est. 45min) - est. 192 Sessions

Partner can conduct a workshop to spark student's interest in the skill or industry, or to raise awareness on the importance of skills mastery and lifelong learning

E.g. of previous workshops conducted by partners:

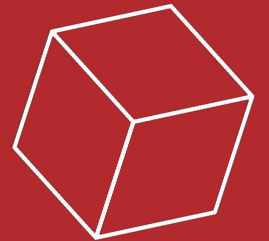

- ◆ SingHealth: Introduced CPR & AED skills and students tested their skills on mannequins
- ◆ Building and Construction Authority Academy: Introduced students to engineering concepts in the built environment sector and students built their own free-standing structure using straws
- ◆ Info-comm Media Development Authority of Singapore (IMDA): Participants were taught the different types of in-built sensors of the micro:bit controller

6
